

## **Border Terrier Canada - A Successful Conformation Sanction Match Friday, May 2nd, 2008 after Best In Show at the Seaway Kennel Club Show**

Border Terrier Canada hosted its second "Terrier Only" conformation sanction match on Friday, May 2nd, 2008 at the Seaway Kennel Club Show in Thorold, Ontario.

Our judge, Lisa Avery, went over her entries with expertise. The dogs were happy to be out and performed well.

The Best in Match and Best Puppy in Match went to a 9-12 month Airedale Terrier female, who had won Best Puppy in the Terrier Group earlier in the day at the Seaway All Breed Show.

Best Graduate in Match was a Scottish Terrier male who was happy to keep his owner fit by trucking around the ring.

Second in Group went to a Wire Fox Terrier female who was happy to have her owner come home, after running the show all day, to get her and bring out for the match.

I'd like to thank Lisa Avery for coming out to judge our match, Dennis Arrand for being chief ring steward and my husband, Michael, for being match superintendent.
