

Border Terrier Canada 2020 Earthdog Test

What a weekend!!!

October 23-24 was truly the Earthdog event of the year at Willowbrae in Terra Cotta, ON. The training day hosted by the West Highland White Terrier Club on the Saturday was really well attended and saw quite a few dogs "get it".

The CKC Earthdog Tests hosted by Border Terrier Canada and the Border Terrier Club of Ontario were equally well attended and a success on so many levels. While the entry was mostly Borders, we also hosted Westies, Cairns, a Sealyham, Bedlingtons, a number of Dachshunds, Smooth Fox Terriers, a Rat Terrier, and a Norfolk.

Our sincere thanks to everyone who turned out to volunteer or participate.
