

BORDER TERRIER CANADA 2022 SPECIALTY REPORT

Ingleside Ontario – Venue Woodlands Campgrounds in conjunction with the SD&G All Breed Shows

The day began with overcast skies and a threat of an all day rain. However, Mother Nature took pity on us lowly dog show people with intermittent light showers and sunshine.

The BTC had an entry totaling 37 dogs with people traveling great distances, Poland, USA, Nova Scotia, Manitoba and long drives for some of us Ontarians. (If I missed anyone I apologize)

Our Conformation Judge Mrs. Rosemary Shoreman (Roschel BT's) Ontario Canada. Rosemary did a wonderful job finding some very nice dogs, making her placements and finding her winners.

2022 SPECIALTY REPORT (cont'd)

Thank you to both of our Judges for a job well done; your time and knowledge of the breed was very much appreciated.

A huge thank you to Pam Dyer without her support and knowledge I would not have been able to put this show together. We had unforeseen challenges and no matter what question I asked of Pam she had the answer...Thank you Pam.

Special thank you to Jane Parker 'Conundrum BT's' for hosting the Judges Mentoring Workshop at such short notice. I received positive feedback from both of the attending judges who participated with respect to how informative it was and being able to get their hands on the BBISS dog. Carlie kindly allowed a hands on experience under the guidance of Jane.

Other's I wish to thank

For the workers you know who you are a special thank you as without your support this show would not happen.

The trophy table was beautiful – thank you Shawn Froese and Anna R.

Sheila Vos, BBQ – a well organized dinner.

Susan Rome, Silent Auction table, as usual a job well done.

Thank you to all of the Exhibitors without your entries there would not be a Specialty.

2022 SPECIALTY (cont'd)

From our Conformation judge, Rosemary Shoreman

With special thanks to Border Terrier Canada, I was honoured to be invited to judge the 2022 Border Terrier Canada National Specialty which was held in conjunction with Stormont, Dundas and Glengarry All Breed Shows on August 26, 2022 on the beautiful shores of the St. Lawrence River in Long Sault, Ontario

I would also like to thank Border Terrier Canada for the lovely set of fine bone china mugs by McIntosh depicting some cherished reproductions by the Group of Seven. I have a special appreciation of the Group's works and these represent some of my favourites. I enjoyed working with my steward, Heather Langfeld, who kept me on my toes to get through the judging process. The Club workers are to be commended as although small in number, they were mighty. The trophies were well received and lovely. Most of all I was pleased with my entry and the exhibitors who were so wonderful in presenting their prized Borders. I hope you all will be accepting of my decisions.

Overall, the entry was good with some excellent heads and good ribs. The dogs were in good condition and more down to size than in the past. Teeth were generally big and with the big teeth comes deep muzzles. The eyes are getting away from the large, round eyes that the breed was tending to exhibit previously. In general the tails are somewhat shorter and stronger than we have seen in the past. The outlines of the exhibits were more correct, slightly off square and with deeper underlines. The one thing that I noticed in some dogs their ribs were not as spannable (a little too round), flexible and the ribs were not well carried back. These exhibits also tended to have tighter pelts. Important attributes for a working terrier. Having said that, on the whole spannability along with good coats and loose pelts were observed on the day. I was pleasantly surprised on the movement I saw with the majority of exhibits. Fronts that correctly reached out without extra lifting and rotation. A much more efficient gait.

AWARDS

Best of Breed, Best of Winners & Winners Dog Giles Hill Hercules

A young grizzle and tan dog who caught my eye as he entered the ring. A beautiful ottery head with a broad flat skull, shallow stop and deep muzzle to encompass his powerful big teeth. Dark keen eyes. Strong neck fitting into well placed shoulders. Narrowly built with flexible ribs carried well back into strong loins. Level topline going into a well set on tail. Nice bend of stifle. Well groomed with a crisp coat with undercoat and a pliable pelt. Moved soundly around the ring. -- He was firstly my Winners Dog and finally my Best of Breed and Best of Winners.

Best of Opposite Sex Ch. Ganymede's Aerwynna

Well balanced, lovely grizzle and tan bitch with a pleasing head. Good big teeth, correct scissor bite and strong underjaw. Nice dark eyes. Pleasing neck blending into shoulders with flexible, narrow ribs. Spannable. Level topline with short, strong tail set on well. Racy rear. Coat was outstanding with good depth and texture. Movement was strong in side gait and sound coming and going.

2022 SPECIALTY (cont'd)

Best Otter Head & Reserve Winners Dog Otterden Salacious B. Crumb

Nicely made grizzle and tan male with outstanding otter head. Broad skull with slight stop and well filled under eyes. Dark eyes correct size and varminty. Scissors bite with large, punishing teeth. Strong neck into good shoulders. Ribs reaching well back into short loins. Spannable. Level topline with well set on tail. Rear with decent angulation. Double jacket with deep, pliable pelt. Moved out soundly.

Winners Bitch Crowns Jammin With Tart & Soul

Well made grizzle and tan bitch with nice length balanced with leg. Pleasing head with broad flat skull. Large teeth meeting in scissor bite. Good length of neck fitting into correct shoulders. Ribs well carried back with flexibility and spannable. Topline strong with tail set on nicely. Coat was a little long and soft but was neaten up before she came in for winners which showed a crisper coat. Short, strong loins. Moved soundly around.

Reserve Winner's Bitch Duet's Heads Or Tails

Nice grizzle and tan bitch with balanced outline showing just enough length. Lovely head with broad skull with slight stop. Good bite with big teeth. Neck flowing into clean shoulders. Level topline into well set on tail. Ribs narrow and spannable carried well back. Well angulated rear. Jacket in good condition with undercoat and thick, pliable pelt. Movement was a little tentative but she gained more confidence as she moved.

Best Puppy Ch. Raven creek Aim For A Star

An accomplished grizzle and tan bitch who came from the champion class at just over 10 months. Very feminine with correct length and height proportions, in spite of the long grass. Good head with large teeth in a scissor bite. Dark eyes set well. Ribs narrow and flexible going well back and deep. Rear has nice bend of stifle. Good topline with nice set on of shorter, strong tail. Coat is not yet showing good wire but there is no indication that this will not follow. Pelt is thick and pliable. Her movement is sound with good reach front and rear.

Select Dog Ch. Duet's Head Of The Class

Deep rich tan and grizzle dog with pleasing ottery head. Flat skull into well filled muzzle. Strong underjaw and correct bite with large teeth. Neck showing strength and flowing into well placed shoulders. Level topline. Good length of rib into short loin. Spannable. Nice rear with good turn of stifle. Good coat with loose pelt. Moved out well.

Select Bitch Ch. Duet's Head Over Heels NS

Nice feminine grizzle bitch with feminine otter-like head. Expressive dark eyes. Good bite. Spannable rib going well back into a strong loin. Nice length of body with good underline. Rear well angulated. Coat well maintained with undercoat and good pliable pelt. Good mover.

Best Working & Award of Merit Jansim Antonina JE RN NS ITD RATN

Well made grizzle bitch showing a keen dark eye. Good head with large teeth in a scissors bite. Strong neck into shoulders with a narrow rib. Spannable. Ribs being carried well back with a deep underline. Short loin showing good strength. Straight topline into well set on tail. Strong rear. Double coat and thick loose pelt. Moves out soundly.

Best Veteran & Best Veteran Bitch 7-10 years Ch. Russethill's Trivial Pursuit

Pleasing grizzle bitch with correct proportions. Good head and dark eyes. Flat skull with strong muzzle and scissors bite. Slightly longer neck but showing strength. Good layback with narrow ribs carried well back. Spannable. Short strong loins and good topline with well set on tail. Well turned out coat with undercoat and loose, deep pelt. Moved okay.

2022 SPECIALTY (cont'd)

Best of Opposite Sex Veteran & Best Veteran Dog 7-10 years Ch. Jansim Fiddlers Creek RN RI

Grizzle Veteran who was pleased to be out for the day. Good head with scissor bite. Nice expression with dark eyes. Strong topline and had a good strong tail (easier to hold onto to get him to stay still). Did I say he loved being out for the day. Narrow with ribs carried well back. Coat was dense and pelt strong and pliable. Moved well.

Best Breeders' Team Ferguson & Hough's Ch. Duet's Head Over Heels NS, Ch. Duet's Head Of The Class & Duet's Heads Or Tails

This Breeders Team was made up of three litter mates, two of which were my Select Dog and Select Bitch and my Reserve Winners Bitch. They were very similar in type with strong heads, correct proportions adding to their comparable outlines, good toplines, narrow ribs of good length, nice rears and moved well together.

Best Baby Puppy Ravenmoor Kestrel

Adorable puppy who was sure of herself. Sweet expression and lovely head. Easily spanned. Good topline. Balanced and moved like a confident little girl. Loved her
