

**BORDER TERRIER CANADA 14TH ANNUAL NATIONAL SPECIALTY
MAY 31, 2024, MAHONE BAY, NOVA SCOTIA
SHOW CHAIR REPORT**

They say it takes a village. Well, the village that worked together to coordinate and execute the 2024 National Specialty in Mahone Bay did an outstanding job. I believe it may have been a record entry with 16 entries in Puppy Sweepstakes, 6 in Veteran Sweepstakes, 5 Baby Puppy, 59 in Regular Specialty Classes and 7 Parade of Versatility entries. Just outstanding!

We were a little worried about getting people to travel this far east but we were absolutely thrilled with the numbers.

Our judges, Carole Dean for Sweepstakes and Jayne Alpe for Regular and Non-Regular classes were efficient and decisive in their assignments and we thank them both.

The weather cooperated, which can be iffy on the coast and it was a perfect day.

The silent and live auctions, raffle and 50/50 were all successful, and topped off by a lovely buffet meal and live entertainment by a family of local fiddlers playing traditional music.

Carole Dean starts Puppy Sweepstakes in front of the stunning Trophy table.

SHOW CHAIR REPORT (cont'd)

As chair, I would like to thank the following for the hard work and dedication to making this specialty one of the best ever!

Cynthia Moorhead Bernier for her outstanding work on the Silent Auction. To say it ran smoothly and was financially successful is an understatement. We took a little gamble running it through the daytime rather than evening but I think all would agree it was great! The evening was relaxing, all were able to enjoy the meal and entertainment with the live auction still to come. Chris Dyer, our auctioneer, did an awesome job as usual!

Megan Crane for the amazing work on the exhibitor bags. They were stuffed with quality and fun items. And to Anne Geall for the artwork, putting the specialty logo and Border head on the bags. Just amazing!

Megan and Cynthia were the backbone of this committee and we met many times to discuss and work ideas out to make it the success it was.

Thank you to Sheena Yarek for the amazing web site work and for coordinating the payments for the lunch and dinner. It sure made my job coordinating with the caterer much easier. Also, working on the bracelet raffle and contributing to our Facebook page.

Thanks to Shawna Froese for coordinating and sending out the trophy sponsorship requests. We filled all sponsorships.

Thanks to Anna Robaczewski for putting together such an outstanding raffle chest. The best I have ever seen bar none.

To Pam Dyer for coordinating the Parade of Versatility, with fantastic rosettes and to Kirsten Goodman for selling raffle and 50/50 tickets.

And finally, I cannot thank my husband Al enough for all he has done and his support and input through the many months we've been working on the specialty. He created the logo, made the ring markers, planned the room layout and so much more. He manhandled ring equipment and so many jobs, I cannot list them all here.

As I didn't really have time to take any photos, I know many others did and I look forward to seeing them here in the Newsletter.

Again, thanks to all who helped and to all who travelled east!

SWEEPSTAKES JUDGE'S REPORT, RESULTS AND CRITIQUE

Thank you to the committee for the kind invite and the exhibitors for allowing me to judge your dogs, I thoroughly enjoyed it in beautiful Mahone Bay and was truly an honour.

There were some very nice dogs present that were shown in correct coat with plenty of undercoat, fronts as in many places need watching, all dogs were of excellent temperament with good mouths and no kinked tails.

**JUDGES REPORT BORDER TERRIER CANADA 14TH ANNUAL NATIONAL SPECIALTY
MAY 31, 2024, MAHONE BAY, NOVA SCOTIA
SPECIALTY JUDGE'S REPORT, RESULTS AND CRITIQUE**

My thanks to the Border Terrier Canada committee for inviting me to judge your Specialty in Nova Scotia. It is always an honour to be invited to judge anywhere but to be asked to do so overseas in a breed that have my heart was very special for me.

The hospitality that I received from the Committee and the welcome after judging from the exhibitors was amazing so my heartfelt thanks to you all for making my visit so memorable.

I am pleased to say that in my opinion Border Terriers are in good hands across the pond as many of those I judged would place very well in the UK show-rings, so I feel that you as breeders are going in the right direction with type, quality, construction and movement. My main winners had all of those things together with the indescribable attribute of Star Quality.

One slight criticism I had two dogs growl when I started to examine them, nothing more than a growl but alien to me in the breed, so Just remember that as breeders we are only custodians for this breed and temperament is as big a part of a Border Terrier as the other things mentioned above and we should aim to leave the best legacy we possibly can for future breeders.

Quality and breed type from tip of his nose to tip of his tail this boy has it all. A beautiful strong masculine head, with dark eyes, correct scissor bite. An elegant neck leading into the best of shoulders, easily spannable with a loose thick pelt and hard jacket. A good topline both stood and held on the move that leads to a correctly set on carrot tail.

Good bone and tight catlike feet. His correct conformation means that his movement in every direction is true and effortless. I was delighted to award him Best in Specialty.

Delighted to award this bitch Best of Opposite Specialty. She is a very strong headed but feminine bitch, with a wonderful front and rear assembly giving her very true and sound movement. Correct bite, with good size teeth. Hard coat with thick pelt. Elegant with strength is what I thought on seeing her and going over her I found exactly that with good bone and feet, although easily spanned she was maybe slightly bigger than I personally like in a bitch, but all her other qualities made that unimportant.

Born July 24th, 2017

Owned by Donna Harty and Megan Crane and bred by Megan Crane

Twig excelled in the conformation ring at an early age and obtained her Championship and Grand Championship easily. The highlight of her conformation career was winning the Border Terrier National Specialty at Winnipeg in 2019 under respected terrier Judge Richard Reynolds.

In 2021 she completed all the requirements to obtain her Grand Champion Excellent Title. Twig competes in many different sport venues, NADAC agility, Earthdog, NASDA, Barn Hunt, Chase, Sprinters and has started some scent work. She has produced some outstanding puppies who continue to do well in conformation and sporting events.

Twig really does exhibit the versatility of the breed!

UKC.CH CANNALISE SC Jansim Tangled Up In Blue RATO BCAT “Spike”

Born May 12th, 2022

Owned by Shawna Froese and bred by Anna Robaczewski & Pam Dyer

Spike has been dragged along to everything his housemate Tink is doing. He competed in his first barn hunt the weekend of his 1st birthday where he earned his RATN, and then his RATO at the next trial.

In nosework he has accomplished way more than I expected for his first year out.

He loves coursing and earned both his BCAT and Coursing Aptitude.

We're working on earthdog and even tried weight pull.

All this in his first year of showing.

It amazes me how quickly he learns and how happy he is to try anything I ask of him.

At 10 years young, Digger continues to compete successfully in multiple venues. His work ethic and visible enjoyment are worth more than any title.

I will always adjust my expectations to line up with his capabilities but hope that our partnership will continue for many more years.

There are still so many adventures to be shared, inside the ring and out.

Where to next Digger Dawg?

I got Tink when she was 16 months old. I'd had dogs before, but never did anything with them except the odd funday.

I did a basic training class with Tink and then started nosework classes as something fun to do together. She loved it so I decided we might as well complete.

Since then, we've continued with nosework and added barn hunt, earthdog, sprinter, coursing ability, and weight pull.

If it involves following her nose, chasing, or hunting, Tink's in.

Born October 3rd, 2017

Although performance events, with the exception of earthdog of course, are not really my “thing”, Lola, like her grand mother Hazel and great grandfather Roger, has shown aptitudes that could not be denied.

Sprinter and Barn hunt as well as Earthdog feed right into her crittering instincts and are tackled with unbridled enthusiasm.

Now, with motherhood firmly behind her, she is happy playing in agility and who knows what might come after that.

From problem puppy to
promising protégé with a hefty
dose of challenges thrown in for
good measure.

Her first love will always be
critters and I would expect no
less, even though her "there
might be something over here"
detours have often resulted in
performances far below her
capabilities.

From hero to zero and
back again all in the
same weekend.

I am never quite sure
which Pickles is by
my side on any given
day.

To say she keeps me
humble is an
understatement.

Easton, a gift, turned into so much more than I was expecting and he keeps on giving. He is my first Border Terrier and my introduction to the dog show & dog sport world. We began with tricks and CARO rally.

He made his conformation debut late 2020. Not knowing what to expect, my goals were small and Easton quickly exceeded my expectations and continues doing so. He is eager to work as my partner and I remain excited to enjoy learning new things together. Next up, agility!!

Emma

On Sunday June 2nd Border Terrier Canada supported the Canine Agility Association of Nova Scotia Agility Trials in Lantz NS. There were two Borders entered but only one ran. While she did not qualify, Lois Fiander's Jansim Got a Little Secret RN TD ADC (Emma) turned in an ear-splitting performance to ensure that everyone knew there was a Border participating. Thank you, Lois and Emma, for representing us.
