Saturday, Bev Ferguson and Mike Taggart organized and cooked a very delicious BBQ lunch for everyone. The evening Pot Luck dinner was a tremendous success, it was provided for the judges and volunteers giving them the opportunity to relax and share stories, and we know every Earth dogger has a story to tell. Pat Dimitrovski and Linda Hough manned a very successful raffle table which was opened on the training day with the draw taking place at the completion of the tests. There were a lot of beautiful items available to bid on, thank you to all who donated to the table.

A big thank you to our judges, who participated on the training day for their patience and for sharing their knowledge. And, of course the exhibitors who made this Earthdog weekend a great success.

Also, a big thank you to all of our wonderful hardworking volunteers, you are who makes this possible. To Pam Dyer for her expertise and knowledge. Shawna Froese did an exceptionally wonderful job as her first time in the Test Secretary's position. Thank you, Shawna it was a pleasure, working with you.

A huge Thank You and shout out to Jane and Mike Toner for so generously allowing the two clubs the use of their beautiful property, and for all the extra work you did preparing the property, it is and was appreciated. Last but not least, a special thank you too my husband Ed who provided us with his Polaris side by side 'Ranger' for transportation of the ED liners and judges to the test sites. Also, for making and donating posts and fencing and taking on the task of liner upgrade and maintenance for our October trials.

We are looking forward to seeing you all then.

Respectfully

Jen Holder

Test Chairperson
