

The Border Terrier Club of Ontario and Border Terrier Canada are once again combining forces for

## Oktober[Earthdog]Fest!!!

**Location:** "The Toner's" 11600 Lakeridge Road, Sunderland ON.

Friday October 18<sup>th</sup> we will be offering a series of mini workshops to get you and your earthdog on the right path:

**Intro to Quarry and Intro to Tunnels** - For puppies (4 months and older), newbies (of any age) and the "didn't quite catch on last time"ers

**Stay with me** – For those dogs that seem to have an internal stopwatch or the mistaken belief that there must be an alternate route to the quarry.

**No short cuts allowed** – For those determined canines who make a beeline over the top under the mistaken impression that the judge will "let them in". This is not for dogs who amble around above ground, they need to go back to basics.

**Gotta go now** – For those dogs who are convinced the quarry will come back in senior or that chewing through the dowels will allow them to follow.

**Holy Roller** – For those dogs new to or having difficulty with the roller obstacle in the Master Den

**Where did it go** - For those dogs having difficulty finding the relocated quarry in Master

More detailed information on the workshops as well as pre-requisites will be available in early September on the web site, on the Canadian Earthdog Enthusiast Facebook page or by contacting Pam Dyer [jansim1980@gmail.com](mailto:jansim1980@gmail.com)

**Then the weekend will feature three CKC Earthdog Tests with a panel of judges from the US.**

All class levels will be offered:  
Intro to Quarry, Novice, Junior,  
Senior, Advanced, Master.

Saturday October 19<sup>th</sup>, 2024 -  
Two CKC Earthdog tests hosted  
by BTCO

Sunday October 20<sup>th</sup>, 2024 -  
One CKC Earthdog Test hosted  
by BTC.

Full information will available on  
Canuck Dogs.

We look forward to seeing  
seasoned earthdoggers and  
another new raft of newcomers.

Come on out, your Borders (and other eligible breeds) will love you for it.

For additional information on the BTC/BTCO Tests contact our trial secretary:  
Shawna Froese [sfroese@sympatico.ca](mailto:sfroese@sympatico.ca)
