

# BTC Versatility Awards

## Requirements

In order to apply for these awards, the owner must be a member in good standing of Border Terrier Canada at the time of application. The Awards are lifetime as opposed to annual awards. Achievements are accumulated through the lifetime of the dog.

The Versatility Award requires 7 stars (\*) in a minimum of 3 categories.

The Versatility Excellent Award requires 12 stars (\*) in a minimum of 4 categories including at least one full star from the Field category.

The categories are:

- Conformation
- Obedience/Rally
- Agility
- Tracking
- Nosework
- Field
- Barn Hunt
- Other Events
- Community

NOTE: The stars earned for the AWTA CG and earthdog titles are not cumulative. If a team has earned an AWTA CG title worth 1 star and then earns an earthdog title worth 2 stars, the other earthdog titles replace the CG title. The Field Category requires one full star for it to count as a category

Award certificates will be prepared and delivered biannually – by the end of May to precede the annual national and the end of November, prior to membership renewal.

## Processing

Applicants provide the Versatility chair with the completed application and supporting documents that provide proof of the titles earned. Documents are scanned and emailed to the chair at [thedogsma@shaw.ca](mailto:thedogsma@shaw.ca) (preferred) or paper copies are sent to the chair:
